ERRATA

P. 105 Line 31 should read

'was for many years Mycologist and was onetime Acting Director of the Department of Agriculture'

P. 111 Line 23 should read

'Oh that Jupiter should restore to me the former years'

P. 198 Lines 22 to 25 should read

'The present author who had the privilege of working with Dr Eden shortly before he left Ceylon, recalls his statement that the first Latin Square design on a perennial crop in the world was laid down at Scrubs Estate, Nuwara Eliya.'

P. 198 Lines 45 & 46, P. 199 lines 1, 2 & 3

The Editors wish to state that these lines should not be construed as intended to belittle in any way, the pioneering work of Dr T. Eden in the field of experimental statistics.

In various places, read 'Rothamsted' for 'Rothamstead.'

The errors are regretted.
